

THE SANJIVA PROTOCOL

A Complete Guide to Natural Healing

Dr. Prasanna Boddupally

Homeopathy Physician - Hyderabad

What is the Sanjiva Protocol?

The Sanjiva Protocol is a systematic approach to homeopathic healing that focuses on treating the root cause of illness rather than just symptoms.

Four Phases of Healing:

1. DIAGNOSIS - Root-cause analysis through comprehensive evaluation
2. CORRECTION - Personalized homeopathic remedies + lifestyle guidance
3. STABILIZATION - Regular monitoring and treatment adjustments
4. SUSTAIN - Long-term support for lasting wellness

Key Benefits:

- Zero side effects - safe for all ages
- No food restrictions required
- Treats root cause, prevents recurrence
- Personalized care for lasting results
